

Overview

The Palliative Care Centre for Excellence in Research and Education (PaIC) is offering a two-day interactive workshop, aimed to develop participants' theoretical and practical knowledge in delivering competent, evidence-informed palliative care in advanced dementia.

Objectives

At the end of the course, participants should be able to:

- Identify patients' needs
- Management of Symptom Issues
- Provide for continuity of care
- Prognosticate reasonably
- Carry out end-of-life discussions with patients and caregivers
- Provide support to caregivers

Who Should Attend

Doctors, Registered Nurses, Pharmacists, Case Managers and Allied Health Professionals (Social Workers, Art and Music Therapists, Physiotherapists and Occupational Therapists) in geriatric and/or palliative care.

When & Where

Dates/time

7 and 8 November 2019, 9am - 5pm

Venue
